

G360 ROTARY SYSTEM

! For optimum results use correct machine speeds, minimal product, apply minimal pressure and clean the pads regularly, especially the G Mop Super High Cut Pad, with a G Plus Spurring Brush. * P2000 is suggested for low energy clear coats (air dry).

HIGH CUT

To remove P1500 or finer* sanding marks

~~P3000~~ **NO P3000 SANDING REQUIRED!**

G360 Super Fast Compound
1 kg **SFC101**
(780727**00162**)

G Mop Super High Cut Pad
150 mm **GMC650**
(780727**00153**)

ON ALL COLOURS

- Eliminates P1500 sanding marks from all conventional clear coats (low bake)
- Prepares for **MEDIUM CUT** polishing

Apply product, using a **small amount**

Using minimal pressure, start polishing at **1500rpm** at a slight angle, ending at **900rpm** keeping the pad flat

MEDIUM CUT

To remove process marks and medium defects (such as swirls and light scuffs)

G360 Super Fast Compound
1 kg **SFC101**
(780727**00162**)

G Mop Angled Yellow Compounding Foam
150 mm **GMC622**
(780727**69182**)

ON LIGHT COLOURS

- Rapidly eliminates visible swirls and holograms
- Leaves an excellent gloss finish

ON DARK COLOURS

- Rapidly eliminates heavy swirls and holograms
- Prepares for **FINE CUT** polishing

Apply product, using a **small amount**

Polish at **900 - 1300rpm**, keeping the pad flat

Wipe clean with a G Plus Finishing Cloth

FINE CUT

To remove fine defects (such as holograms and light swirls) and enhance gloss levels

G360 Super Fast Finish
1 L **SFF101**
(780727**00138**)

G Mop Angled Black Finishing Foam
150 mm **GMF622**
(780727**69185**)

ON LIGHT COLOURS

- Further enhances gloss levels if desired

ON DARK COLOURS

- Rapidly eliminates light swirls and holograms
- Leaves an enhanced deep gloss finish

Apply product, using a **small amount**

Polish at **800 - 1100rpm**, keeping the pad flat

Wipe clean with a G Plus Finishing Cloth

FINAL CLEANING AND PROTECTION

To remove residue and contaminants while adding shine and protection

Clean and Protect
1 L **CAP101**
(780727**66935**)

G Plus Finishing Cloth
400 mm x 400 mm
3 cloths **FC-3**
(780727**00136**)

NO SILICONES, NO VOC

- Cleans away residue, dust, fingerprints and other contaminants
- Use on paint, glass, trims, rubber and many other surfaces
- Leaves a friction-free, high gloss finish
- Leaves a breathable, water-resistant film

Spray a light mist onto the surface

Wipe clean with a G Plus Finishing Cloth

Use a clean, dry G Plus Finishing Cloth to buff to a shine

G Plus Rotary Polishing Machine range

- G Plus Electric Rotary Polishing Machine (EU plug) **GPT002** (780727**00159**)
- G Plus Electric Rotary Polishing Machine (UK plug) **GPT003** (780727**73610**)
- G Plus Cordless Rotary Polishing Machine (tool only) **GPT050** (780727**73698**)
- G Plus Rechargeable Li-Ion Battery **GPT150** (780727**73702**)
- G Plus 18V Twin Bay Battery Charger **GPT151** (780727**73704**)

For best results and longer pad life:

- G Mop Flexible Back Plate**
- 14 mm thread **GMB146** (780727**00148**)
- 5/8" thread **GMB586** (780727**15924**)
- 16 mm thread **GMB166** (780727**15925**)

Keep pads clean using a: **G Plus Spurring Brush** **GPS001** (780727**73569**)

G360 DUAL ACTION SYSTEM

! For optimum results use correct machine speeds, minimal product, apply minimal pressure and clean the pads regularly, especially the G Mop Super High Cut Pad, with a G Plus Spurring Brush. * P2000 is suggested for low energy clear coats (air dry).

HIGH CUT

To remove P1500 or finer* sanding marks

~~P3000~~ **NO P3000 SANDING REQUIRED!**

G360 Super Fast Compound
1 kg **SFC101**
(780727**00162**)

G Mop Super High Cut Pad
150 mm **GMC660**
(662544**27056**)
180 mm **GMC760**
(662544**27057**)

ON ALL COLOURS

- Eliminates P1500 sanding marks from all conventional clear coats (low bake)
- Prepares for **MEDIUM CUT** polishing

Apply 3-4 spots of product to the pad

Polish at **3800 - 5000opm**, keeping the pad flat

Wipe clean with a G Plus Finishing Cloth

MEDIUM CUT

To remove process marks and medium defects (such as swirls and light scuffs)

G360 Super Fast Compound
1 kg **SFC101**
(780727**00162**)

G Mop Angled Yellow Foam
150 mm **GMC622**
(780727**69182**)
180 mm **GMC722**
(662544**27058**)

ON LIGHT COLOURS

- Rapidly eliminates visible swirls and holograms
- Leaves an excellent gloss finish

ON DARK COLOURS

- Rapidly eliminates heavy swirls and holograms
- Prepares for **FINE CUT** polishing

Apply 3-4 spots of product to the pad

Polish at **3800 - 5000opm**, keeping the pad flat

Wipe clean with a G Plus Finishing Cloth

FINE CUT

To remove fine defects (such as holograms and light swirls) and enhance gloss levels
